

EXPERIENCE

— 2017 - Present / Boise, Idaho

Ventive - UX/UI Designer & Project Manager

As a UI/UX designer, I evaluated and gathered requirements, in collaboration with project managers, front & back end engineers, quality assurance engineers to illustrate and implement design ideas. As a project manager, I managed project execution to ensure adherence to scope, budget, and schedule. Monitored and tracked project milestones and deliverables.

— 2016 / Meridian, Idaho

Lead Builder - Web Designer

Designing and maintaining websites for a wide variety of clients using "ClickFunnels" management system.

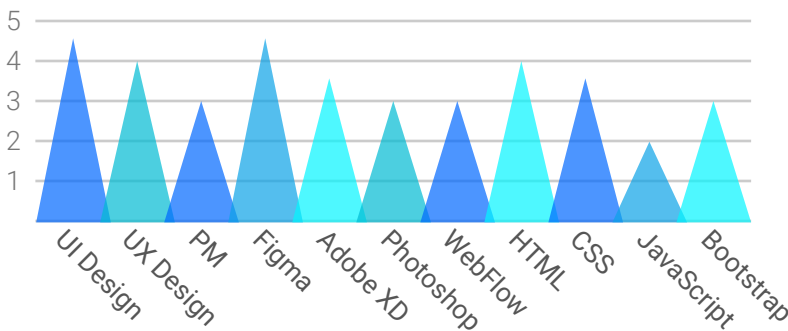

— 2016 / Boise, Idaho

Boise CodeWorks - Web Designer/Developer & Mentor

As a web designer and developer, I had designed and developed Bosie CodeWorks website using html, css, foundation, and photoshop. As a mentor, I had help teachers by providing extra assistance to students at the BCW with web design/development.
