

## EXPERIENCE

— 2017 - Present / Boise, Idaho

### Ventive - UX/UI Designer & Project Manager

As a UI/UX designer, I evaluated and gathered requirements, in collaboration with product managers, front & back end engineers. Illustrate design ideas using process flow, storyboard, and user's journey. As a project manager, I managed project execution to ensure adherence to scope, budget, and schedule. Monitored and tracked project milestones and deliverables.

— 2016 / Boise, Idaho

### Boise CodeWorks - Web Designer & Mentor

As a web designer, I had redesigned a new layout for the Bosie CodeWorks website using html, css, foundation, and photoshop. As a mentor, I had help teachers by providing extra assistance to students at the BCW with web design/development.
